ON THE GLASS

Leaves are falling from the trees.

Mornings meet the silver freeze.

The sun went off only just.

Rain is playing on the glass.

Autum, autumn, autumn plays

in the dreams and nowadays.

You can play with autumn here.

In your dream, so ... sleep my dear.

Leaves are falling from the trees.

Mornings meet the silver freeze.

The sun went off only just.

Rain is playing on the glass.

Autum, autumn, autumn plays

in the dreams and nowadays.

You can play with autumn here.

In your dream, so... sleep my dear.
