## THE EYES

Hungry stork went for a walk  
and for breakfast – tasty frog.

Where a grass was very green  
he saw eyes staring at him.  
He thought: "Yummy! Lucky day!"  
And he said: "Hello frog! Hey!"  
I see beauty in your eyes!  
What a color! What a size!  
I imagine and I dream  
about your shape, smell and skin.  
You must be fresh as a daisy.  
I feel like I gonna crazy!  
I must finish. No more rhyme.  
Because it is breakfast time."

At the moment, the eyes told:  
„Just a minute! Hold on! Halt!  
You are really very kind.  
My dear stork, if you don't mind,  
I think you should change your thought,  
because I am ugly ... toad."
