THE EYES

Hungry stork went for a walk
and for breakfast – tasty frog.

Where a grass was very green
he saw eyes staring at him.
He thought: "Yummy! Lucky day!"
And he said: "Hello frog! Hey!"
I see beauty in your eyes!
What a color! What a size!
I imagine and I dream
about your shape, smell and skin.
You must be fresh as a daisy.
I feel like I gonna crazy!
I must finish. No more rhyme.
Because it is breakfast time."

At the moment, the eyes told:
„Just a minute! Hold on! Halt!
You are really very kind.
My dear stork, if you don't mind,
I think you should change your thought,
because I am ugly ... toad."
