MR ROE

One day, some time ago
forest dweller - Mr Roe
which was clever, witty and
very, very eloquent
met the wisent in the wood.
That one said to him: „We should
practise the horns and find out
who is stronger, so .. let's fight!”

Then eloquent Mr Roe
passed by slowly and said: „So,
easy, don't be in a hurry.
I have antlers. No horns. Sorry.”
