ON THE HEAD

My friend Johnny bought a bike
and cool, trendy outfit like:
gloves and shoes and zappy pants,
because he loves fashion trands.

He was riding around the city.
Stylish, trendy - very pretty.

I went to a shop one day.
Johnny appeared on my way.
„You look fine and cool! – I said -
Tell me, what about your head?!”
It is naked! Without style!
Any outfit and cloths! Why?

Johnny told me: "All right dude.
My new glasses will be good!

I said to him: "Wait! Hold on!
You need the bike helmet, John!"
