

Jacek CUDNY

THE PLOT

He is looking for a wife.

She needs also – to share life -
loving husband in the house.
But they can't find any spouse.

He is spicy, she is hot
- but there is a kind of plot
'cause a date with him or her
is uncommon - very rare!

I do believe – yes I do -
that this story is all true
because it's hard, through a bristle,
to give a hug spicy ... thistle
and extremely immense mettle
is the best to kiss hot ... nettle.
