Jacek CUDNY

THE PLOT

He is looking for a wife.

She needs also - to share life -
loving husband in the house.

But they can't find any spouse.

He is spicy, she is hot

- but there is a kind of plot

'cause a date with him or her

is uncommon - very rare!

I do believe - yes I do -

that this story is all true

because it's hard, through a bristle,

to give a hug spicy ... thistle

and extremely immense mettle

is the best to kiss hot ... nettle.
